BARBADOS.

*Sanitary report from Barbados.*BARBADOS, *September 6, 1897.*

SIR: The quarantine against Colon has been taken off. Quarantine is in force here against Rio Janeiro, Pernambuco, Manaos, Para, Panama, Mayaguez (Puerto Rico), and Cuba. The public health of this island, is as usual, good.

September 13: Bahia to-day declared infected with smallpox.

Yours, etc.,

JAMES SANDERSON,
Clerk, Quarantine Board.

To Surgeon-General W. WYMAN.

BRAZIL.

*Sanitary report from Rio.*RIO DE JANEIRO, *August 30, 1897.*

SIR: I have the honor to transmit report for the week ended August 28, 1897.

There were 3 deaths from *accessio pernicioso*, a decrease of 6; 1 from yellow fever, and 1 from smallpox; none in the foregoing week; 1 from enteric fever, a decrease of 1; 1 from diphtheria, none in the foregoing week; none from leprosy or measles; 36 from tuberculosis, a decrease of 5, and 247 from all causes, a decrease of 36. The health of this town and port was never better than at present. On the 23d there were only 19 deaths.

Since last report the following-named ships have been inspected or received bills of health from this office: August 23, steamship *Amalfi*, German, for New York. August 26, bark *D. Pedro II*, American, for Baltimore, Md. August 27, steamship *Jeanara*, British, for St. Lucia, West Indies; ship *Monrovia*, British, for Pensacola, Fla.; steamship *Stanley Hall*, British, for Galveston, Tex., and steamship *Castilian Prince*, British, for New York. August 28, ship *Glenpark*, British, for Portland, Oreg., and steamship *Lassell*, British, for New York. August 30, steamship *Hogarth*, British, for New Orleans, La. * * *

Respectfully, yours,

R. CLEARY, M. D.,

Sanitary Inspector, U. S. M. H. S.

The SUPERVISING SURGEON-GENERAL,
U. S. Marine-Hospital Service.
